BUREAU OF WATER PROTECTION AND LAND REUSE
OFFICE OF THE BUREAU CHIEF

FEB 04 2010

Dear Mr. Stacey:

I am writing to support the proposed Stream Flow regulations. I would like them to be put into effect without weakening their standards.

As a Connecticut citizen concerned about water quality, and an abutter to a river (the Hockanum), I am also asking that you either eliminate Class 4 or amend it to include some minimum level of protection for Class 4 stream segments.

Sincerely,

Ann Bogucki
